

## Corporate Parties FAQs

### **What locations do you deliver corporate party entertainment at?**

We come directly to a location of your choosing. Whether that is a local park, your house or something completely different, it's totally up to you.

### **What age groups do you corporate party entertainment for?**

We deliver corporate party entertainment for boys and girls aged 6-13 years of age.

### **How do you structure your corporate party entertainment?**

Effectively, our coaches set up a variety of stations with the necessary equipment and sporting facilities required for each specific game. All children will play the same sport/game/activity at the same time on one station. During this time, the coach will place children into teams, provide necessary game related and safety instructions as well as act as the referee. All children spend somewhere between 20-30 minutes on one station playing a particular game/sport. Then, the coach directs the children to the next station to play a new game with the same processes listed above repeated for the second game. For example, if you chose the 1 hour Multi Sport Party package, all children would play a game of soccer for 25-30 minutes on station one then move on to station two to play an AFL related game called Minesweeper for 25-30 minutes.

### **Who supplies the sports equipment?**

We provide all of the sports equipment required.

### **Who is responsible for food and drinks at the corporate party?**

Parents are responsible for sourcing and supplying food and drinks for. Our role is to provide the entertainment and to manage the wellbeing and the behaviour of children in attendance for the duration of our program.

### **What is the minimum and maximum number of children that can attend?**

One coach delivers a party for between 1-20 children. If more than 20 children are expected to attend, you need to notify us of this. We can have two coaches deliver a party for more than 20 children but there is an extra cost for the second coach.
